## 1. Basic Activity Information

Title of the Activity	“She Blooms by the Lake” Celebration of Women’s Day 2026
Type of Activity	Paint for the Nature
Club / Committee	Nature Club
Level	University
Organized By	SU Nature Club
Date(s)	8 <sup>th</sup> March 2026
Venue / Mode	Gavier Lake, Surat (offline)
Academic Year	2025-26
Target Audience	Students
Collaborating Units (if any)	Nature Club Surat
Prepared By	Ms. Tejal Surati, Dr. Naresh Butani

## 2. Introduction / Background

The celebration of Women’s Day at Gavier Lake, Surat, was organized by the SU Nature Club as a creative activity for students. Students participated in Bord painting activities and displayed their artwork around the lake area to enhance the beauty of the location. This initiative allowed students to express their artistic skills while working together to improve the overall natural environment. They have also arranged the Research Centre Museum by Labeling the artifact with proper details as per the advice by Experts.

### 3. Objectives of the Activity

#### - Objectives of the Activity

- To celebrate Women's Day through a creative activity.
- To encourage students to participate in Nature Boards painting.
- To enhance the beauty of the lake surroundings through student artwork.
- To arrange the Nature Research Centre Museum.
- To promote student participation and creativity.

### 4. Participation Details

Total Participants	21 Students
Male Students	5
Female Students	16
Faculty / Staff	Dr. Naresh Butani (SRKI) Ms. Tejal Surati (SCET)
Institutes Participated	SRKI, SCCCA, SCOL, SRLIM
Club Secretary, Co-Ordinator, Manager and Members	Dev Chauhan (Secretary) Jai Mehta (Event Manager) Ishrita Vekariya & Krishna Avaiya (Event Coordinators)
Volunteers (if any)	Mr. Jagdish Parmar from Nature Club Surat

### 5. Outcomes / Learning Outcomes

The activity was structured and executed through the following steps:

- Organization: The event was organized by the SU Nature Club under the direct guidance of faculty mentors and with the full support of club members.
- Logistics: The organizing team handled the procurement of all required materials for poster painting and managed participant coordination prior to the event date.
- Execution: On the day of the activity, students gathered at Gavier Lake to create original artwork, which was then displayed throughout the lake area for public viewing.

### 6. Achievements / Highlights / Ranking

NA

## 7. Feedback and Impact

The activity had a positive impact by encouraging students to actively engage in environmental beautification through creative expression. It fostered teamwork, collaboration, and a sense of responsibility toward preserving natural spaces. The board paintings enhanced the visual appeal of the lake area, promoting awareness among visitors. Additionally, organizing and labeling artifacts in the research centre improved knowledge-sharing and educational value. Overall, the initiative strengthened both artistic skills and environmental consciousness among students.
