

SARVAJANIK UNIVERSITY

PHOTOGRAPHY CLUB

REPORT

ACTIVITY NAME:	Expert Talk on Basics of Photography
DATE:	17 March 2026

OBJECTIVE

- Promote photography as a creative and technical skill.
- Introduce camera basics, composition and framing.
- Inspire students through wildlife photography.

EVENT DESCRIPTION

The SU Photography Club successfully organized its **first-ever event**, an **Expert Talk on Basics of Photography**, on **17 March 2026** at **TIFAC Hall, Sarvajani University**. The session was delivered by **Shri Amitbhai Jariwala**, a renowned wildlife photographer and passionate visual storyteller, who shared his extensive experience and expertise with the participants. The event aimed to introduce students to the fascinating world of photography while encouraging them to develop creativity, observation skills, and technical proficiency.

The expert session covered a wide range of topics, including the **fundamentals of camera operation**, exposure settings, composition principles, framing techniques, lighting, and the importance of perspective in creating impactful photographs.

Shri Jariwala also discussed the essentials of wildlife photography, sharing inspiring stories from his expeditions and explaining the patience, planning, ethics, and technical skills required to capture extraordinary moments in nature. Through real-life examples and stunning photographs, he demonstrated how thoughtful transform an ordinary image into a compelling visual story.

The session was highly interactive, with students actively participating in discussions and raising queries related to camera equipment, mobile photography, lens selection, image composition, and career opportunities in photography. The speaker provided practical tips on improving photographic skills, choosing suitable camera settings in different situations, and developing a unique creative perspective. Participants appreciated the opportunity to learn directly from an experienced professional and gained valuable insights into both the artistic and technical dimensions of photography.

The programme witnessed the enthusiastic participation of **25 students**, including **19 male and 6 female participants**, along with **four faculty members**. The event was conducted under the guidance of **Dr. Ravi Vaidya, Dean, Student Affairs**, and the mentorship of **Dr. Purvi Kothari** and **Dr. Satish Dokiparti**. The successful organization and active involvement of the club office bearers and volunteers ensured smooth execution of the programme. As the inaugural event of the SU Photography Club, the expert talk received an overwhelming response and laid a strong foundation for future workshops, field visits, photography competitions, and creative learning initiatives within the University.
