**Subject : Framework for Universities to conduct Examinations for SWAYAM Courses.**

आदरणीय महोदय/महोदय,

I would like to inform you that UGC and MoE have organised state-wise SWAYAM awareness and outreach virtual meetings during October-November 2023, and April- May 2024 . UGC has also conducted two online meetings chaired by the Chairman, UGC with Higher Education Institutions (HEIs) on 8<sup>th</sup> February, 2024 and 5<sup>th</sup> March 2024 to deliberate on adopting SWAYAM for credit transfer and gather feedback from HEIs .

These meetings were attended by Vice-Chancellors of Universities, College Principals, SWAYAM Coordinators, and NEP SAARTHIs wherein the state-wise status of participation of students from these Universities on the SWAYAM platform was shared. The queries of the HEIs, such as re-examination for failed students, reduction of examination fees, online doubt-solving classes, and a re-run of the SWAYAM courses were also addressed during these interactions.

During these interactions, universities expressed keen interest in conducting SWAYAM examinations for their students enrolled in SWAYAM courses. Subsequently, this matter was deliberated upon during the 24th SWAYAM Board meeting on 5<sup>th</sup> March 2024 at the Ministry of Education. To encourage more students to earn credits through SWAYAM Courses and provide re-attempt opportunities to students, the SWAYAM Board decided that the universities may conduct examinations for courses offered on SWAYAM, provided the university has adopted SWAYAM Courses for Credit Transfer as per the UGC (Credit Framework for Online Learning Courses through Study Webs of Active Learning for Young Aspiring Minds) Regulations, 2021 and requested UGC to issue necessary framework in this matter.

At present, the end term proctored examinations for SWAYAM courses are conducted by the National Testing Agency (NTA) and National Programme on Technology Enhanced Learning (NPTEL). In addition to these, students who have completed courses on SWAYAM will now have the option of writing their SWAYAM examination at their own university.

# Framework for Universities to conduct Examinations for SWAYAM Courses

**Major Highlights of the Framework:**

1. To increase the number of students taking SWAYAM Courses for credit accumulation.
2. To enhance student flexibility with respect to SWAYAM Examination.
3. To permit Universities to conduct SWAYAM Examination provided they have adopted SWAYAM Courses for Credit Transfer as per the UGC (Credit Framework for Online Learning Courses through Study Webs of Active Learning for Young Aspiring Minds) Regulations, 2021.

## Purpose of the Framework:

SWAYAM ([www.swayam.gov.in](http://www.swayam.gov.in)) is an online platform of the Government of India designed to achieve the three cardinal principles of Education Policy, viz., access, equity, and quality. Through the SWAYAM platform, students can take online courses from leading Higher Education Institutions to fulfill credit requirements for their university's academic programmes, which can be accessed by anyone, anywhere at any time.

As per the UGC Credit Framework for Online Learning Courses through Study Webs of Active Learning for Young Aspiring Minds Regulations, 2021, an institution can allow students to take up to 40% of their total courses online in a particular programme in a semester, through the SWAYAM Platform. The credits/marks obtained by the candidate enrolled in universities for SWAYAM Certificate, will be counted in the transcript of the candidate, only if the University has adopted MOOCs Courses offered on SWAYAM Platform for Credit Transfer.

The SWAYAM courses are aligned with the academic semester commencing in the month of January and July of every year. The courses offered on SWAYAM are mapped by the universities to their regular academic curriculum.

Currently, the end term proctored examination for all the SWAYAM based credit courses are conducted by National Testing Agency (NTA) and National Programme on Technology Enhanced Learning (NPTEL) in their designated centres across the country.

To encourage more students to earn credits through SWAYAM Courses and provide re-attempt opportunities to students, it has been decided in the 24th SWAYAM Board meeting held on March 5, 2024, that Universities who have adopted UGC SWAYAM Regulations 2021 will be permitted to conduct examinations of the SWAYAM courses for their students who enrolled and completed Courses from the SWAYAM Platform.

Students who have completed courses on SWAYAM will now have the option of writing their SWAYAM examination at their own university.

Universities would conduct these examinations during the current semester for their students along with the end-term examinations.

Universities would conduct examinations in the subsequent two semesters for their students who could not pass/appear in the end-term SWAYAM Course exams.

All universities shall appoint a Nodal Officer to coordinate with the SWAYAM Technical team in matters related to SWAYAM Courses including registration and credit transfer.

The University shall conduct the examination for students enrolled in SWAYAM courses in alignment with their regular academic calendar.

## Eligibility Criteria for Universities to conduct SWAYAM examination: -

All universities which are listed under Section 2 (f) of the University Grants Commission Act, 1956 and have adopted SWAYAM Courses for Credit Transfer as per the UGC (Credit Framework for Online Learning Courses through Study Webs of Active Learning for Young Aspiring Minds) Regulations, 2021.

## Steps to be taken by the University:

1. If the University has decided to conduct the end-term examination for the SWAYAM Courses, the students in these SWAYAM Courses can take the end-term examination conducted by the university.
2. The number of credits of the SWAYAM courses should be as prescribed on the SWAYAM Platform.

3. For conducting the end-term examination, the University shall be responsible for setting the Question Papers, evaluation of answer scripts and declaration of examination results.

5. The University shall give 70% weightage to end-term examination. For the assignments and quizzes component conducted by the SWAYAM Course Coordinator, the weightage will be 30% and shall be available on the SWAYAM portal.

## Responsibilities of the University Nodal Officer:

1. To obtain login credentials from the SWAYAM Technical Team and register on the SWAYAM portal to access students details along with progress made.
2. To monitor students' internal assignments and quiz marks from the SWAYAM Portal and prepare a list of students eligible for university exam.
3. To conduct the end-term examination and upload the marks on the SWAYAM portal.
4. To ensure that marks of all students who have appeared in the SWAYAM Examination are mapped with their Automated Permanent Academic Account Registry (APAAR) id and visible to the students with their login credentials.
