Subject: Formation of the Industry Connect Cell at the Sarvajanik University

We are pleased to announce the formation of the **Industry Connect Cell** at Sarvajanik University. This initiative is aimed at bridging the gap between academia and industry, providing our students with real-world exposure that will significantly enhance their career prospects and research opportunities.

The Industry Connect Cell will focus on several key objectives, including:

- Establishing strategic industry-academia partnerships to foster collaboration.
- Offering guidelines and opportunities for faculty to gain industry exposure and facilitate knowledge exchange.
- Organizing events that promote industry collaboration, skill development, and networking.
- Implementing an industry-based mentorship program to guide and support the students of Sarvajanik University in their academic and professional growth.

The cell will consist of the following members:

Sarvajanik University
Industry Connect Cell
