This initiative aims to enhance the overall user experience, ensuring that our online platforms are more informative, accessible, and user-friendly.

The committee members are as follows:

- **Dr. Jay Bergi** - SRKI
- **Mr. Jayesh Pushtiwala** - SRKI

This committee will be responsible for reviewing the current websites, identifying areas for improvement, and providing inputs and recommendations to the university authorities. The goal is to ensure that our online presence reflects the quality and diversity of our academic offerings while being intuitive and accessible to all users.

We trust that the committee will work diligently to bring about meaningful enhancements, and we look forward to the positive changes that will result from this effort.
