Event Summary

The Industry Connect Cell at Sarvajani University stands as a vital platform where academic learning converges with corporate reality. As part of its initiatives, the Cell organized its first event - an interesting workshop on **“Resume Writing and Interview Preparation”** on **20th August 2025** at NJ Seminar Hall. The event witnessed a strong turnout of **140 student participants** from reputed institutes of Sarvajani University along with faculty members, making it a dynamic and enriching gathering.

The session commenced with a warm welcome and felicitation of the distinguished speakers. The first speaker, Dr. Ushma Desai, Ph.D., Assistant Professor, B.R.C.M., initiated the session by guiding students on the essentials of designing a professional resume. She emphasized the importance of structuring resumes in a clear and concise manner, ensuring that academic achievements, technical expertise, and personal strengths are highlighted effectively. Dr. Desai explained how a well-crafted resume serves as the first impression for recruiters and can significantly influence shortlisting decisions. She also shared practical tips on self-presentation during interviews, stressing confidence, clarity, and professionalism as key elements of success. She concluded her talk by encouraging students to continuously refine their resumes and communication skills, aligning them with industry standards to enhance career opportunities.

The second speaker, Mr. Ramasish Jaiswal, HR Professional at AMNS India, shared his expertise on Industry Perspective and HR Insights. He provided valuable guidance on understanding recruiter expectations and the qualities that make a candidate stand out in a highly competitive selection process. Mr. Jaiswal emphasized the importance of showcasing unique skills, aligning academic knowledge with real-world industry demands, and presenting oneself with confidence. He highlighted how communication, adaptability, and a proactive mindset play a crucial role during interviews and career progression. Concluding his session, he encouraged students to continuously enhance their professional presence and prepare strategically to meet the evolving needs of the corporate world.

The final speaker, Mr. Surinder Choudhary, Head HR, Hazira Operations, AMNS India, delivered an inspiring address that captivated the audience and kept everyone deeply engaged. His session focused on Motivational Learning and Career Growth, where he encouraged students to build strong self-belief, embrace challenges with a positive outlook, and remain

persistent throughout their career journeys. Mr. Choudhary highlighted the importance of resilience, adaptability, unlearning and continuous skill development as essential traits for long-term success. His powerful words not only motivated the students but also instilled a sense of confidence and determination to face the future with courage and optimism.

The program concluded with an engaging **interactive Q&A session**, where the speakers responded thoughtfully to student queries, blending academic advice with real-world corporate wisdom.

Acknowledgments

The Industry Connect Cell of Sarvajanic University extends heartfelt gratitude to honourable Provost Dr. Kiran Pandya and Registrar, SU Shri Ashish Desai for permitting us to organize this talk. Their constant support and guidance inspire us to organize such enlightening events for our fellow students and colleagues. We are also thankful to our enthusiastic Industry Connect Cell Team for their prompt support always. We extend our earnest gratitude to all the speakers for accepting our invitation and sparing their valuable time to be with us for the workshop. Sincere thanks to all the student volunteers, lab assistants and lab attendants for making necessary arrangements for this session.

Above all, the enthusiastic participation of the students across different colleges of SU made this initiative a resounding success, reinforcing the vision of the Industry Connect Cell: *to empower students with skills, confidence, and readiness for the corporate world..*

The event not only provided knowledge but also ignited motivation—transforming the way students perceive their career journey ahead.
