

Sarvajanik University

INDUSTRY CONNECT CELL, SU

What Students Will Gain

- Career guidance from industry mentors
- Real-world industry exposure
- Skill development & project support
- Networking and career opportunities

“**MENTOR - MENTEE INITIATIVE**”

Your Roadmap from Student Life to Industry Excellence

Register as a Mentee here

The Industry Connect Cell, Sarvajanic University has launched a mentorship “Mentor - Mentee” initiative to create a motivational and career-oriented environment for students. Students will interact with industry professionals, experts, entrepreneurs, and mentors to get guidance on career paths , learning opportunities and answers to their questions about their future career path.

Unlike internships, this program focuses on providing a clear roadmap for future career opportunities.

Benefits include:

Personalized career guidance

Networking with industry professionals

Interaction with inspiring mentors

Confidence and skill development

All interested students of constituent colleges of Sarvajanic University are encouraged to register.

After registration, details regarding mentor–mentee mapping, guidelines, and future programs will be shared with the registered students.
